

Family Emergency Plan

Be sure your family has a plan in case of emergency. Before an emergency happens, sit down together and decide how you will communicate with each other, where you will go and what you will do in an emergency. Keep a copy of this plan along with your emergency supplies or other safe place where you can access in case of a disaster.

Family Emergency Plan

Make sure your family has a plan in case of an emergency. Fill out these cards and give one to each member of your family to make sure they know who to call and where to meet in case of an emergency.
